2. Mr. Pforzheimer discussed with Chairman Russell, of the Senate Armed Services Committee, the problem of the release to him of the CIA reports requested of the Chairman by Senator Saltonstall in his letter of 4 May, which Chairman Russell forwarded to Deputy Director of Defense Lovett, who in turn forwarded them to the DCI. Chairman Russell has asked that we state our position on the release of this material in writing, and he expressed great sympathy with our position. A draft of the proposed letter is being prepared for the Director's consideration.
